ORDER  
Conduct of the Proceeding  
37 C.F.R. § 42.5

During a conference call on March 24, 2014, confirmed by order dated March 26, 2014 (Paper 42), the Board authorized Supernus to file a substitute Exhibit 2145 that includes Appendices A-P, which were unintentionally omitted from the exhibit when it was originally filed. Supernus filed the substitute exhibit on March 24, 2014, along with a motion to substitute the exhibit and to expunge the original exhibit. In is motion, Supernus did not certify that the substitute exhibit is identical to the original exhibit except for the inclusion of Appendices A-P.

Upon consideration, it is hereby

ORDERED that Supernus's motion to substitute Exhibit 2145 is *provisionally granted* on the condition that Supernus submit, within three business days of the date of this order, a certification that the substitute Exhibit 2145 is identical to the original Exhibit 2145 except for inclusion of Appendices A-P; and

FURTHER ORDERED that Amneal must serve any evidentiary objections to the content of the appendices within five days of service of the aforementioned certification.
